

Early Years Pupil Premium Information Sheet and application for eligibility

From April 2015 the Government will introduce an Early Years Pupil Premium which will be paid to the school or early years setting of any eligible 3 or 4 year olds for them to support children’s learning. This will be the equivalent of 53p an hour or approximately £300 per child, per school year.

Eligible children will include children from families with an income below £16,190 and children in care or who have been adopted from care. The money can be used in anyway the school or setting feels will best support the learning of the children. This could include additional language support activities, visits which will enhance their learning or professional development activities for staff which would lead to improvements in the children’s progress.

To check if your child is eligible we need to provide the local authority with a Parent’s name, date of birth and National Insurance Number. The local authority will then use an Eligibility Checking Service to check whether or not your child is eligible for the premium. We will share with families how we have chosen to spend our total Early Years Pupil Premium.

Section 1 - Child Information				
Surname:	First Name:	Middle Name(s):	Boy	
			Girl	
Date of Birth:	Residential Address:			
	Postcode:
